

<b>FACULTY PROFILE</b>						
<b>Name</b>	Sujith N S					
<b>Department</b>	Mechanical Engineering					
<b>Designation</b>	Assistant Professor					
<b>Email</b>	ns007sujith@gmail.com					
<b>Experience</b>						
	Teaching	5years and 10 months				
<b>Qualification</b>						
Ph D	Perusing					
Area Of Research	Acoustics					
Post-Graduation	M.Tech					
Specialization	Maintenance Engineering					
Under Graduation	B.E. (Mechanical Engineering)					
<b>Research Publication In Journal with details</b>						
<b>International Level</b>						
Sl. No	Title of paper	Name of the journal	Volume No.	Issue No.	Page no.	Year
1.	<b>Performance Study of Used Cooking Oil Bio Diesel Blends on Peugeot Engine</b>	<b>International Journal of Innovations in Engineering and Technology (IJET)</b>	Volume – 4	Issue – 4	131-136	December 2014
2.	<b>Impact Analysis of Bullet on Different Bullet Proof Materials</b>	<b>International Journal of Mechanical and Industrial Technology (JMIT),</b>	Volume – 3	Issue – 1	303-310	April 2015 - September 2015
3.	<b>Study of Low– Velocity Impact Induced Damage on a Composite Drive Shaft</b>	<b>International Journal for Ignited Minds (IJMINDS)</b>	Volume – 4	Issue – 1	<b>1-6</b>	Jan – 2017
<b>Conference /Workshops/ STTP /FDP attended</b>						
<b>National level</b>						
Sl. No	Details of Conferences/ Seminars/Workshops	Date	Sponsoring agency			
1.	FDP On “Mechanisms”	20/10/2011 -21/10/2011	JSSATE, Bangalore			
2.	FDP On “Research Opportunities in Renewable Energy”	21/02/2014	ATME, Mysore			
3.	Workshop on “Research Methodology and Research Motivational Aspects” in association with IEEE Bangalore	27/07/2016 to 29/07/2016	GSSSETW, Mysore
